

B.J. TRANSPORT, INC – 12720 SOUTH HUDSON ROAD – AFTON, MN 55001 (651) 436-4300

B.J. Transport, Inc. is a 30-year-old Truckload and LTL carrier based in St. Paul, MN. Our customers rely on us for claim free, consistent service. Our customers typically dictate the delivery schedule and it's our job to accommodate both the customer and their clientele. Periodically, our customers make delivery requirements that are beyond normal transit times. At that point we call Dominic Young and HVC Expedite. It doesn't matter the time of day or day of the week; Dominic has never let us down. I know that once he's committed to a load, I can stop worrying about it. He has made me look like a miracle worker to my customers. His professionalism, excellent communication and attention to detail make his service invaluable. Our company's image is greatly enhanced due to the service Dominic has performed for us.

I would recommend Dominic to anyone, without any reservations.
